## DUES ARE DUE

Annual dues help defray program expenses and nominal operating costs. In addition to submitting your nominal Club dues for 2023 (\$25. per person), please consider making a donation to the Club to help us continue supporting charitable and non-profit organizations across the Cape. Thank you!

## Member Survey Results

In a survey conducted of 200-plus Club members and some 2,000 alumni on the Cape, we learned that you are interested in attending talks on a variety of topics. Of greatest interest were current events, history, and science/health. Stay tuned for information on where, what and when!

Thanks to all who provided input. You provided a lot of great ideas for the Club!

### THE CAPE'S SACRED COD TROPHY

SAVE THE DATE FOR THE BC-HOLY CROSS TOURNAMENT:

SEPTEMBER 8, 2023

This year we are partnering with the Holy Cross Club of the Cape to launch a new golf tournament. The winner will take home the Cape Alumni *Sacred Cod Trophy*!

Named after the trophy that was awarded to each season's winner of the football series between the teams of BU, BC, and Holy Cross. The trophy was first awarded in the 1954 season to BC and ultimately the rivalry boiled down to BC and Holy Cross. We will keep the spirit of good sportsmanship and camaraderie alive as we meet up at (Dennis Highlands) on (September 8, 2023).

## Annual Golf Outing is now the BC-Holy Cross Tournament!

### MEMBER SPOTLIGHT: MEET JOE CAPALBO

Ever wonder who is keeping BCCCC membership lists updated, dues recorded, and communications flowing? It's Joe Capalbo (CSOM 1973), member of the BCCCC Board.

After graduating from BC, Joe earned an MBA from Babson in 1978 and pursued a 40-plus year career in the field of accounting and finance. He retired from Direct Federal Credit Union in Needham in 2017 after serving as its CFO for 32 years. Currently, he is chair of Direct Federal's board of directors.

In 2017 Joe became a full-time resident of Cape Cod. He and his chocolate lab, Bella, can be seen exploring the many sights, sounds and, yes, smells of South Dennis. In the free time Bella gives him, Joe can be found golfing at the Dennis Pines or Highlands courses, cooking, traveling, and spending time with his four children, Lisa, Joe Jr. (CSOM), Macala (LGSOE), Patrick, and his seven grandchildren.

*"I joined the BC Club to stay in touch with BC, re-kindle old friendships and develop new ones. It's a great way to have fun and leverage my contributions to Cape charities."*
