WINTER

EDU-EVENTS: 2024

It's winter; it's cold. Planning events that could be disrupted by weather is as hazardous as driving in icy conditions! Our next Edu-Events will be held online and, with the presidential primary season upon us, upcoming sessions include the Constitutional Convention and the Early Republic. Details coming soon!

Christmas on the Heights

Yuletide Spirit abounds in Chestnut Hill! Check out:

Christmas on the Heights, The University Chorale of Boston College and BC Symphony Orchestra at Trinity Chapel, Newton Campus 12/1, 12/2, 12/3.

McMullen Museum Holiday Celebration with music, tours, arts and crafts activities, Sat. 12/2 from noon to 3:00.

Alumni Association Winter Wonderland, Sat, 12/9 from 10 am to 2 pm

BCCCC Scholarship

Meet Quinn Mayo, BC MCAS 2027

Many thanks to BCCCC members who have contributed to the Club this year. Your generosity allowed us to award a \$2,000 scholarship to Quinn Mayo, a recent graduate of Saint John Paul.

BC welcomed 2,335 freshman this year, a majority of whom ranked within top 10 percent of their high school class and Quinn was one of them!

Quinn told us that attending BC has always been a dream of his and was attracted by BC's principle of developing "men and women for others." Since elementary school, Quinn has been just that. He has served as a volunteer at St. Vincent De Paul Food Pantry, been a coordinator of activities at Kind Hearts for Kids, and has tutored middle schoolers at St. Francis Prep.

We have no doubt that Quinn will *excel* on the Heights and continue to serve others – in a variety of endeavors.

Congratulations Quinn!

REMEMBER BC VETERANS: WREATHS ACROSS AMERICA

BC veterans will be honored on Saturday, December 16, as part of Wreaths Across America. Over 2 million volunteers across the country pay tribute to the men and woman who served our country by laying wreaths at gravesites. This year's theme is "Serve and Succeed" focusing on stories of success of those who served our country. Join Cape alumni at the Massachusetts National Cemetery in Bourne on 12/16 at 10:00 a.m. To register email bcclubofcapecod@gmail.com

MEMBER SPOTLIGHT: TINA MEILLEUR

Tina Meilleur, class of 1984, grew up in Queensbury, New York where her family owned the Heidelberg Inn, still open and considered one of the best German American restaurants in the country. She was attracted to our alma mater because of the location, academic quality, beautiful campus and relationships with other BC students and alumni. She worked with some of the true titans of the University: President Rev. J. Donald Monan and Executive VP Frank B. Campanella, whose efforts not only saved BC from near insolvency but put it on the path to its status today as one of the country's top schools of higher education.

Receiving her degree in Business Administration, Tina worked in human resources under the tutelage of Leo Sullivan, who restructured much of BC's business model. "My experience with the BC administration greatly influenced my life goals." Today, Tina continues to serve the University as a member of the board of trustees of the BC Club of Cape Cod where she oversees the scholarship fund. She has found that Cape students are motivated and eager to attend BC and are grateful to the support of Club members to help defray some tuition costs. When asked about her experience with the BCCCC, Tina notes how its members are dedicated to helping maintain BC's future in education at the highest levels – all while having fun and making a difference for the Cape community.

N.B.: Tina has an added incentive to dedicate time to the Club, her husband is the President. Bob Connor (BC CSOM 1973)!!!

Two who made a difference: Frank Campanella (left) and Father Monan
